

The Comprehensive Laughter-Humor Model of The World Laughter Tour, Inc. © 2000, All Rights Reserved

EIGHT FACTORS THAT INTERACT

Laughter... As the physical response to humor; stimulated; true mirthful laughter; yogic laughter.

Sense of humor... An attitude; comic vision; the ability, willingness and intention to see the non-serious element in a situation; comes in hundreds of variations; personal and idiosyncratic.

Spirit of Laughter ... Also, Sensible Living; practices that reduce anger and the tendency to be critical of others; increasing gratitude; amazed and amused; sometimes called social glue.

Sensitivity ... Humor and laughter that helps rather than hurts; laughter at no one's expense.

Jokes... Telling jokes; performing; humorisms; practical jokes.

Humor... As a cognitive function; visual; auditory; political; social; interpersonal.

Leadership... Trained; experienced; ethical; strong; inspiring; dynamic; enthusiastic.

Laughter Clubs... Non-political; non-religious; non-bureaucratic; open to all; supportive group.
